Pahang

Pahang is the largest state in Peninsular Malaysia. This eco-paradise is filled with remarkable natural treasures. Lush, pristine rainforest rich with a variety of exotic flora and fauna covers almost two-thirds of the state. Its mountainous terrain is home to cool highland retreats, while its long coastline contains some of the most beautiful beaches in the country. The state is also home to the country's largest national park and natural freshwater lakes. Its capital city is Kuantan, a bustling township with plenty of interesting sights.

GT GETTING THERE

Kuantan is situated about 260km from Kuala Lumpur, which is approximately 3 1/2 hours' drive via the East Coast Highway. Its Sultan Ahmad Shah Airport in Kuantan receives both international and domestic flights from Kuala Lumpur International Airport (KLIA), Sultan Abdul Aziz Shah Airport in Subang and most capital cities all over the country. Air-conditioned express buses to Pahang are also available, departing from Terminal Bersepadu Selatan (TBS) and Hentian Pekelling in Kuala Lumpur. Keretapi Tanah Melayu or Malayan Railway provides rail services to Mentakab and Kuala Lipis from Kuala Lumpur and Kota Bharu in Kelantan.

Visitors can find handicrafts made from dried and dyed Pandanus (screwpine) leaves, batik cloths, woodcarvings and other crafts and souvenirs at Crafts Complex (Jalan Pintas), Sungai Karang and Cherating Village. Witness how traditional fabrics are made at Batik RM in Tanah Putih and Pahang Silk Weaving Centre in Pulau Keladi. Major shopping malls can be found in Pahang's capital city, Kuantan, namely Kuantan Parade, Berjaya Megamall, East Coast Mall and Kuantan City Mall.
